AGENDA FOR THE ANNUAL MEETING

INSURANCE PLACEMENT FACILITY OF PENNSYLVANIA

April 25, 2023 – 9:00AM Via Microsoft Teams Call in (audio only): +1 469-480-3882 Phone Conference ID: 373 505 076#

- 1. Call to Order 9:00AM Ms. Jaynine Warner, Chair, presiding
- 2. Approval of Minutes of Previous Year Annual Meeting April 28, 2022
- 3. Ratification of Board, Officers, and Committee Actions
- 4. Report of the Chair
- 5. Report of the President
- 6. Treasurer's Report
- 7. New Business
- 8. Election of Board of Directors 2023 2024

Nominations are:

- 1) Allstate Insurance Company
- 2) Chubb Group
- 3) Donegal Insurance Companies
- 4) Erie Insurance Group
- 5) Nationwide Insurance Companies
- 6) State Farm Insurance Companies
- 7) The Travelers Companies, Inc.
- 9. Adjournment of Meeting

Minutes of the Annual Meeting of the Insurance Placement Facility of Pennsylvania April 25, 2023 Via Video Conference 9:00 a.m.

The Annual Meeting of the Insurance Placement Facility of Pennsylvania was called to order with Vice Chairman David Sponic presiding. President Susan A. Erney-Gleason served as secretary and reported a quorum was present with 127 companies or 64.886% of the membership represented in person or by proxy.

Upon motion duly made, seconded, and carried, the Minutes of the April 28, 2022, Annual Meeting were approved as distributed.

A motion to ratify the actions of the Board of Directors and the Officers for the 2022-2023 term was duly made, seconded, and carried.

Motions were made, seconded, and carried to waive the reading of the Chair's report, President's report, and the Treasurer's report, as all three reports were included in the pre-meeting agenda packet and will be incorporated into the Annual Report. The reports were accepted as presented.

The President noted the 2022 independent financial audit report provided by the accounting firm of Mazars will be presented and accepted by the Board of Directors and made part of the Annual Report submitted to Member Companies.

No new business was presented by the President, Department of Insurance, or member company representatives.

The Vice Chairman of the Board and Nominating Committee Chairperson, Mr. David Sponic, placed into nomination the following Member Companies to serve on the Board of Directors for the 2023 – 2024 term:

Allstate Insurance Company
Chubb Group
Donegal Insurance Companies
Erie Insurance Group
Nationwide Insurance Companies
State Farm Insurance Companies
The Travelers Companies, Inc.

There being no other nominations, it was moved, seconded, and carried to close nominations. Vice Chairman Sponic requested and received confirmation from the secretary that enough

Minutes of the Annual Meeting of the Insurance Placement Facility of Pennsylvania April 25, 2023 Via Video Conference 9:00 a.m.

ballots had been cast either in person or via proxy in favor of the nominated slate. Ms. Erney-Gleason reported that 127 companies or 64.886% of the membership were represented. As such and upon motion duly made, seconded, and carried, the slate was declared elected.

Ms. Catherine Quinn, the new Farmers Insurance Delaware board member representative, inquired as to term dates for member companies. The President advised that nominations are announced, and elections occur each year at the April meeting. At this meeting the Board of Directors are elected for the 2023 to 2024 term.

There being no further business and upon motion duly made, seconded, and carried, the meeting was adjourned.

Respectfully submitted by,

Ms. Susan A. Erney-Gleason MBA, CPCU, AIM API

Jusan A. Enzy - Gleson

President

Approved by,

Mr. Dave Sponic

Vice Chairman of the Board

Report of the Chair Ms. Jaynine Warner

55th Annual Meeting of the Members of the Insurance Placement Facility of Pennsylvania April 25, 2023

Welcome to the 55th Annual Meeting of the Insurance Placement Facility of Pennsylvania. With now more than 50 years in operation, I am pleased to report that the Facility continues to meet its primary purpose of making basic property insurance available to those property owners who have been unable to secure such coverage in the voluntary marketplace.

There are a wide range of companies doing business in Pennsylvania, which is reflected in the State's viable and very competitive insurance marketplace. With so many companies active in the marketplace, it is not a surprise that the FAIR Plan has continued to see a decline in its volume.

Despite a competitive voluntary market and lower volumes, the Pennsylvania FAIR Plan receives a daily flow of new applications and payments from all corners of the Commonwealth. While the FAIR Plan has its greatest volume of existing business centered around the urban centers especially Philadelphia, it is seeing more new business applications from outside of the city of Philadelphia. Despite its southeastern urban tilt, the Plan still has policies in force in every county and most every small city or borough in the Commonwealth.

Over the past five decades, the Pennsylvania FAIR Plan has recorded years of both high and low loss severity and substantial surplus and deficits. With an 8.84% decrease in 2022's Premiums Earned and Losses Incurred, Loss Adjustment Expenses, and General Expenses higher than Premiums Earned, the Plan's Net Result of Operations ended the year with a deficit of \$520,456.62.

In 2022, almost all categories saw a decline including New Business Received, Policies Issued and Premiums Written. General Expenses also declined 12.83% in 2022.

In closing, I would like to thank the Pennsylvania Insurance Department for all its support to the FAIR Plan operation. We are very fortunate to have such an attentive Department of Insurance staffed with some very dedicated and talented individuals.

Report of the Chair Ms. Jaynine Warner Insurance Placement Facility of Pennsylvania Annual Meeting – April 25, 2023 In addition, my appreciation also goes out to the Staff at the FAIR Plan. Their dedication to the FAIR Plan is evident in so many ways and I think I speak for all the Board members when I say we take great comfort knowing the operation is in such capable hands.

I would also like to recognize the contributions of our past General Counsel Mr. Daniel M. Taylor. Mr. Taylor's timely and well thought out advice has served the Board well over the years and 2022 was no exception. I would like to extend an enthusiastic welcome to Mr. Kyle McGee as our interim General Counsel to be appointed during the upcoming Board of Directors Meeting.

I would also be remiss if I did not acknowledge all the members of our committees and in particular our Committee Chairpersons. Your readiness to serve and to offer the Staff guidance on any number of assorted issues goes a long way in making the Pennsylvania FAIR Plan a well-run operation.

I would like to thank all my fellow Board members for their support and dedication. During our meetings, I am constantly amazed at your knowledge and your willingness to take time from your busy schedules to assist in the oversight of the Pennsylvania FAIR Plan. For all your efforts, I am indeed grateful.

Every year it seems the Board of Directors or the FAIR Plan staff loses some very talented individuals to other assignments or retirement and 2022 was no exception. To all of those who have moved on, I would like to offer my personal thanks and gratitude for all the years of service to the FAIR Plan.

Respectfully submitted,

Jaynine Warner Chair of the Board

Report of the President Susan A. Erney-Gleason

55th Annual Meeting of the Members of the Insurance Placement Facility of Pennsylvania April 25, 2023

Good morning and welcome to the 55th Annual Meeting of the Insurance Placement Facility of Pennsylvania.

For nearly a decade, we have seen a steady decline in FAIR Plan business and 2022 was no exception. In 2022, Policies Issued fell 10.96% and Premiums Written declined by 8.89%. The decline is not exclusive to the Pennsylvania FAIR Plan as many residual markets nationwide also saw significant depopulation. Losses Reported fell by 28.53%.

Although both General Expenses (12.83%) and Loss Adjustment Expenses (17.66%) decreased over 2021, an increase in Losses Incurred of 16.71%, and a 8.84% drop in Premiums Earned yielded an Underwriting Loss of \$607,059.78. Considering Investment Income and Other Income and Expenses, the Pennsylvania FAIR Plan finished 2022 with a Net Result of Operations loss of \$520,456.62.

Over the decades the Pennsylvania FAIR Plan has remained a small niche market for those unable to secure coverage in the normal marketplace. Annual Premiums Written exceeded \$17,000,000 in only one year and annual policy counts have only once been as high as 113,000. Despite its limited size, the FAIR Plan has still paid out more than \$357,800,000 in Losses.

Change not only impacts business, but it also impacts people. Whether it is Board or Committee members, Insurance Department senior staff or the FAIR Plan's own staff, we have seen many friends and colleagues move on to their next challenge. To all, I would like to express my thanks for their years of dedicated service.

In closing, I would like to thank the members of my management team and the employees of Pennsylvania FAIR Plan for their dedicated efforts over these past 12 months. This has certainly been a year of change and evolution for the organization.

I would also like to thank past General Counsel Dan Taylor for his timely and sound legal advice throughout the year. Today's working and social environments are ever changing, and Dan has helped to navigate the organization through these changes. I would like to

Report of the President Ms. Susan A. Erney-Gleason Insurance Placement Facility of Pennsylvania Annual Meeting – April 25, 2023 extend an enthusiastic welcome to Mr. Kyle McGee as our interim General Counsel to be appointed during the upcoming Board of Directors Meeting.

I also think it is appropriate to thank the Pennsylvania Insurance Department. Time does not permit me to personally thank all those folks inside the Department who have lent us their knowledge and expertise, but suffice it to say, their efforts are greatly appreciated.

I would like to thank all the members of the Board and its various Committees. Your interest, support and enthusiasm go a long way in running this organization. Whether it has been an email, a phone conversation or a meeting, members repeatedly go to great lengths to be engaged in the operation of the Plan. Your efforts and support are greatly appreciated.

Respectfully Submitted,

Dusan d. Erray-Glesson

Independent Auditors' Report

To the Board of Directors of Insurance Placement Facility of Pennsylvania

Opinion

We have audited the statutory financial statements of the Insurance Placement Facility of Pennsylvania (the "Facility"), which comprise the statutory statements of admitted assets, liabilities, and members' equity as of December 31, 2022 and 2021, and the related statutory statements of operations and members' equity and cash flows for the years then ended, and the related notes to the statutory financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the admitted assets, liabilities, and members' equity of the Insurance Placement Facility of Pennsylvania as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in accordance with accounting practices prescribed or permitted by the Insurance Department of the Commonwealth of Pennsylvania as described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Facility and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting and the purpose for which the financial statements are prepared. The financial statements are prepared in accordance with accounting practices prescribed or permitted by the Insurance Department of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting practices prescribed or permitted by the Insurance Department of the Commonwealth of Pennsylvania, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Facility's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

mazars

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 the Facility's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting
 estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Facility's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Summary Investment Schedule, Investment Risks Interrogatories, and Reinsurance Interrogatories is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Restriction on Use

Mazars USA CLP

Our report is intended solely for the information and use of the Board of Directors and management of the Insurance Placement Facility of Pennsylvania and the Insurance Department of the Commonwealth of Pennsylvania and is not intended to be and should not be used by anyone other than these specified parties.

Notes to Statutory Financial Statements Years Ended December 31, 2022 and 2021

1. Summary of Significant Accounting Policies

The statutory financial statements of Insurance Placement Facility of Pennsylvania (the "Facility") have been prepared, except as to form, in conformity with statutory accounting practices ("SAP") as promulgated by the National Association of Insurance Commissioners ("NAIC") and as prescribed or permitted by the Insurance Department of the Commonwealth of Pennsylvania (the "Insurance Department"). The Facility does not have any prescribed or permitted accounting practices by the Insurance Department that are different than NAIC SAP. Such practices differ in certain respects from accounting principles generally accepted in the United States of America ("GAAP"). The more significant accounting policies are as follows:

Premiums

Premiums are recognized as revenues ratably over the terms of the policies. Unearned premiums are computed on the monthly pro rata basis.

Commissions

Commissions and other costs of acquiring business are charged to operations as incurred.

Non-admitted Assets

Certain assets designated as "non-admitted" are not reflected in the statutory statements of admitted assets, liabilities, and members' equity. Non-admitted assets include uncollected premiums and agents' balances in the course of collection, electronic data processing equipment and software, prepaid expenses and premium tax and are charged directly against members' equity. The portion of unassigned surplus represented by non-admitted assets was \$329,035 and \$1,247,288 as of December 31, 2022 and 2021, respectively.

Unpaid Losses and Loss Adjustment Expenses

Unpaid losses and loss adjustment expenses are estimated based on losses reported and actuarial estimates for losses incurred but not yet reported. Management believes that such provisions are adequate to cover the ultimate liability. However, such estimates could differ from the amounts ultimately paid when claims are settled. Subsequent changes in estimates are reflected in earnings currently.

Use of Estimates

The preparation of statutory financial statements in conformity with statutory accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statutory financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and other highly liquid temporary investments with maturities of one year or less from the acquisition date. The carrying value of cash equivalents approximates fair value. Interest and dividend income from cash and cash equivalents is included in investment income on the statutory statements of operations. Interest earned on cash and equivalents was \$89,959 and \$1,028 at December 31, 2022 and 2021, respectively.

The Company maintains cash balances at banks that are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. During the normal course of business, balances are maintained above the FDIC insurance limit. The Company maintains cash equivalents in money market accounts that are insured by the Securities Investor Protection Corporation ("SIPC") up to \$500,000. Balances for these accounts are maintained in excess of the SIPC insurance limit.

Variances from Generally Accepted Accounting Principles

Certain of the prescribed or permitted insurance accounting practices followed by the Facility differ from GAAP. The principal differences are as follows:

- Under GAAP, commissions and other acquisition costs, if recoverable from future operations, would be deferred and charged against operations on the same basis that related premiums are recognized as revenues.
- Under GAAP, certain assets designated as "non-admitted" would be reflected in the statutory statements of admitted assets, liabilities, and members' equity.

The effects on the statutory financial statements of these differences have not been determined.

2. Nature of Operations

The Facility was created by an act of the General Assembly of the Commonwealth of Pennsylvania ('The Pennsylvania Fair Plan Act') to make available basic property insurance against fire and other perils for residential and business properties located in the Commonwealth. All insurers ("Member Company") doing any insurance business in Pennsylvania of the kinds covered by the Facility are required to be a member. Each member in the Commonwealth participates in the profits and losses of the Facility in the proportion that certain premiums written in the Commonwealth by each company during the second preceding calendar year bear to the aggregate of such premiums written by all authorized companies and is subject to future cash assessments, if required.

During 2022, the Facility approved a closeout of 2017, 2018, and 2020 in the amount of \$684,856 with an assessment against the 2021 and 2022 policy years in the amount of \$4,300,000 for a net impact of \$4,984,856. This amount has been charged directly to members' equity. There was an assessment receivable from Member Companies of \$510,186 and \$0 at December 31, 2022, and 2021, respectively.

The Facility shares office space and the services of certain employees with the Insurance Placement Facility of Delaware and the West Virginia Essential Property Insurance Association, both of which pay the Facility a portion of such joint expenses based on estimates of actual usage. All expenses are allocated except for direct expenses relating to a specific entity.

3. Federal Income Taxes

The Facility files as a partnership for federal income tax purposes. Consequently, the Facility provides each Member Company with an annual statement of its relative share of the Facility's annual results of operations for inclusion in each participating member's tax return.

4. Employee Benefits

The Facility, in conjunction with the Insurance Placement Facility of Delaware and the West Virginia Essential Property Insurance Association and other unaffiliated organizations, is a participant in the Principle Financial Group Pension Plan for Insurance Organizations (the "pension plan"), which covers all of its employees. The pension plan qualifies under the provisions of Section 501(a) of the Internal Revenue Code and is exempt from federal income taxes. The pension plan provides retirement income based upon employee average annual compensation and years of service. The pension plan is funded through the trustee by contributions to group annuity contracts.

The Facility provides life insurance for active employees upon the date of hire. The amount of insurance provided is equal to two times the employee's basic annual salary. For employees who retire at age 65 or older, the Facility pays the full cost of life insurance with coverage limited to \$10,000.

Eligible employees that elect to retire at, or after, normal retirement age may elect to receive Medicare supplemental benefits of their choosing using an employer level funded HRA.

The Facility uses a December 31 measurement date for its pension and postretirement benefits plan. Assets, liabilities and expenses of the plan are allocated to the Facility based on its underwriting activity. The allocation percentage used for the Facility was 88.16% in 2022 and 88.30% in 2021.

The following table sets forth the year-end status of the plan:

	Pension Benefits			Postretirement Benefits

		2022		2021		2022		2021
Components of net periodic benefit cost:								
Service cost	\$	262,356	S	290,838	S	56,049	S	81,148
Interest cost		587,292		506,744		93,907		90,434
Expected return on plan assets		(1,193,414)		(1.149.846)				2
Amount of prior service cost recognized		₩.		454		22,619		22,619
Amount of loss recognized		<u> </u>		125,151				75,105
Net periodic benefit (income) cost	S	(343,766)	\$	(226,659)	\$	172,575	\$	269,306

Weighted average assumptions used to determine the net periodic benefit cost:

	Pension Be	Postretirement Benefits			
	2022	2021	2022	2021	
Discount rate	2.80%	2,30%	2.85%	2,35%	
Weighted average rate of compensation increase Expected long-term rate of return	4.00% 5.50%	3.50% 5.50%	3.50% N/A	3.50% N/A	

Weighted average assumptions used to determine benefit obligations at December 31:

	Pension Be	Pension Benefits			
Discount rate	2022	2021	2022	2021	
Discount rate	5.30%	2,80%	5.30%	2.85%	
Rate of compensation increase	4.00%	3,50%	4.00%	3,50%	

The accumulated benefit obligation for the pension plan was \$15,829,506 and \$19,855,957 at December 31, 2022 and 2021, respectively.

Prepaid pension benefit cost was \$3,056,995 and \$2,413,229 at December 31, 2022 and 2021, respectively.

The expected long-term rate of return on assets assumption is 5.5%. This assumption represents the rate of return on plan assets reflecting the average rate of earnings expected on the funds invested or to be invested to provide for the benefits included in the benefit obligation. The assumption has been determined by reflecting expectations regarding future rates of return for the investment portfolio, with consideration given to the distribution of investments by asset class and historical rates of return for each individual asset class.

The pension plan's weighted average asset allocations at December 31, 2022 and 2021, by asset category are as follows:

	2022	2021
Asset category:		
Equity securities	38.6%	37.0%
Debt securities	55.7%	57.0%
Real estate	4.8%	5.2%
Cash	0.9%	0.8%

The primary investment objective for the pension plan assets is to achieve maximum rates of return commensurate with safety of principal, given the asset mix, credit quality and diversification guidelines and restrictions approved by the plan administrator's board of directors. The pension asset allocation is reviewed quarterly to determine whether the portfolio mix is within an acceptable range of target allocation. Target asset allocations are based on asset and liability studies with the goal to enhance the expected return of the pension portfolio while maintaining acceptable levels of risk. The target asset allocation is 60% equity securities and 40% debt securities.

The plan's financial assets and liabilities carried at fair value have been classified, for disclosure purposes, based on a hierarchy defined by SSAP No. 100, Fair Value Measurements. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under SSAP No. 100 are described as follows:

<u>Level 1</u>: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

<u>Level 3</u>: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used at December 31, 2022 and 2021.

<u>Pooled Separate Accounts</u>: Investments in pooled separate accounts are valued at fair value, based on the applicable percentage of net assets of the pooled separate accounts as of the measurement date, as determined by Principal. In determining fair value, Principal utilizes valuations calculated for the pooled separate accounts. The pooled separate accounts value securities and other financial instruments on a

fair value basis of accounting. The pooled separate accounts invest in domestic and foreign stocks, mutual funds, commercial paper and money market funds. The fair values of these investments are based on quoted prices or other observable inputs and are used by Principal in determining the fair value of the pooled separate accounts. The fair value of the Plan's investments in pooled separate accounts generally represents the amount the Plan would expect to receive if it were to liquidate its investments.

<u>Managed Accounts</u>: Managed accounts that hold individual investments are valued at the closing price of shares for domestic and foreign stocks.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation method is appropriate and consistent with those of other market participants, the use of a different methodology to determine the fair value could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the gross assets of the Plan as of December 31, 2022 and 2021. The Facility, Insurance Placement Facility of Delaware, and West Virginia Essential Property Insurance Association have a total interest in Plan assets of approximately 1.58% and 1.64% as of December 31, 2022 and 2021, respectively.

December 31, 2022	Level 1	Level 2	Total	
Managed accounts				
Small cap equity	\$ 32,202,166	\$ -	\$ 32,202,166

Contributions to the pension and postretirement benefits plans are expected to be \$350,000 and \$172.438, respectively, in 2023.

The following benefit payments, which reflect expected future service, as appropriate, are expected to be paid:

	-	Pension Benefits	 stretirement Benefits
2023	\$	1,176,629	\$ 172,438
2024		1,201,289	170,913
2025		1,220,771	170,048
2026		1,239,183	172,851
2027		1,271,650	179,111
2028-2032		6,384,316	957,560

Flat annual contributions are made to retirees Health Reimbursement Accounts and the retiree is responsible for securing health insurance. Contributions are expected to grow with general inflation and are around 3% but are not tied to health care trend rates.

The employees of the Facility are eligible to participate in the Insurance Company Supported Organizations 401(k) Savings Plan, a defined contribution plan. The plan was administered by the Prudential Retirement Insurance and Annuity Company through September 23, 2021. Voya Institutional Trust Company became the current administrator on September 24, 2021. Participation in the plan is voluntary. Employees are vested in employer contributions upon participation. Employees could contribute 1% to 75% of their annual compensation for the period January 1, 2021 through September 23, 2021. Employees could contribute 1% to 100% of their annual compensation on a pre-tax basis for the period September 24, 2021 through December 31, 2021 and for the period January 1, 2022 through December 31, 2022. Employees could contribute 1% to 75% of their annual compensation on an after-tax basis for the period September 24, 2021 through December 31, 2021 and for the period January 1, 2022 through December 31, 2022. Employee contributions are not to exceed the maximum amount allowed by the Internal Revenue Service each plan year. The Facility matched employee contributions up to a maximum of 6% of an employee's annual compensation. Contributions by the Facility amounted to \$84,576 and \$85,381 in 2022 and 2021, respectively. Contributions are net of amounts allocated to the Insurance Placement Facility of Delaware and the West Virginia Essential Property Insurance Association.

5. Liability for Unpaid Losses and Loss Adjustment Expenses

Activity in the liability for unpaid losses and loss adjustment expenses is summarized as follows:

	2022		2021
Balance, January 1	\$ 593,497	\$	827,325
Incurred related to: Current year Prior years	2,745,053 (103,704)		2,589,537 (94,837)
Total incurred	2,641,349	-	2,494,700
Paid related to: Current year Prior years	2,212,143 487,300		2,027,999 700,529
Total paid	2,699,443		2,728,528
Balance, December 31	\$ 535,403	\$	593,497

As a result of changes in estimates for anticipated losses and loss adjustment expenses to insured events of prior years, the liability for losses and loss adjustment expenses decreased by \$103,704 and \$94,837 in 2022 and 2021, respectively. The favorable loss reserve developments during 2022 and 2021 are based on loss expense reserves settling for amounts different than those estimated and is not attributable to any specific event or occurrence. Paid amounts above are net of salvage and subrogation recoveries.

6. Lease Commitments

The Facility signed a new 10.5-year lease effective May 1, 2015. The Facility has the option to renew its lease for an additional five-year period. At December 31, 2022, minimum rental commitments under this noncancelable lease is as follows:

Total payments	\$ 656,287
2026 and thereafter	
2025	196,477
2024	231,952
2023	\$ 227,859
Years Ending December 31,	

Total rental expense was \$228,352 and \$224,969 in 2022 and 2021, respectively.

Rentals included above are net of amounts allocated to the Insurance Placement Facility of Delaware and the West Virginia Essential Property Insurance Association for common facilities.

7. Related Party Transactions

The Facility issues all checks for claims and other payables for the Insurance Placement Facility of Delaware and the West Virginia Essential Property Insurance Association and is then reimbursed by these facilities. Throughout 2022 and 2021, \$784,118 and \$827,256, respectively, was paid on behalf of the Insurance Placement Facility of Delaware and \$246,945 and \$173,646, respectively, was paid on behalf of the West Virginia Essential Property Insurance Association. At December 31, 2022 and 2021, \$62,097 and \$54,032, respectively, is due from the Insurance Placement Facility of Delaware and \$80,246 and \$13,852, respectively, is due from the West Virginia Essential Property Insurance Association. These advances do not bear interest and are payable on demand.

8. Electronic Data Processing Equipment and Software

Electronic data processing ("EDP") equipment and software are stated at cost. Maintenance, repairs, and minor renewals are expensed as incurred. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets ranging from three to five years.

EDP equipment and software consisted of the following:

	· ·	2022		2021
Computers and equipment	\$	76,547	\$	116,370
Software		22,349	-	25,757
	-	98,896		142,127
Less accumulated depreciation		(74,041)		(104,997)
Less nonadmitted asset		(24,855)		(37,130)
EDP equipment and software, net	\$	<u> </u>	\$	_

Depreciation expense was \$19,170 and \$13,997 for the years ended December 31, 2022 and 2021, respectively.

9. Annual Statement Reconciliation

There are no material differences between net income and capital and surplus as reported herein and the Annual Statement as previously filed with the Department for the years ended December 31, 2022 and 2021.

10. Subsequent Events

The Facility has evaluated subsequent events through April 24, 2023, the date these financial statements were available for issuance.

Investment Risk Interrogatories December 31, 2022

Total admitted assets at December 31, 2022

\$ 11,884,709

1. State by investment category the 10 largest exposures to a single issuer/borrower/investment, excluding (i) U.S. government, U.S. government agency securities, and those U.S. government money market funds listed in the Appendix to the SVO Purposes and Procedures Manual as exempt; (ii) property occupied by the Facility; and (iii) policy loans.

- 3. The Facility holds no foreign investments.
- The Facility holds no Canadian investments.
- The Facility holds no investments with contractual sales restrictions.
- 6. State the amounts and percentages of admitted assets held in the largest 10 equity interests (including investments in shares of mutual funds, preferred stocks, publicly traded equity securities, and other equity securities, and excluding money market and bond mutual funds listed in the Appendix to the SVO Practices and Procedures Manual as exempt or Class 1).

		Percentage of Total Admitted
Investment Category	Amount	Assets
None	\$	0.00%

- 7. The Facility holds no nonaffiliated, privately placed equities.
- 8. The Facility holds no general partnership interests.
- 9. The Facility holds no mortgage loans.
- 10. The Facility holds no real estate.
- 11. The Facility has no repurchase agreements.
- 12. The Facility does not hold warrants.
- 13. The Facility does not have exposure to collars, swaps, or forwards.
- 14. The Facility does not have exposure for futures contracts.
- 15. The Facility does not have amounts in the Write-Ins for Invested Assets category on the Summary Investment Schedule.

Summary Investment Schedule December 31, 2022

Investment Categories	Gross Investment Ho		Admitted Assets as Reported in the Annual Statement		
Cash and cash equivalents	\$ 11,186,023	100.00%	\$ 11,186,023	100.00%	
Total invested assets	\$ 11,186,023	100.00%	\$ 11,186,023	100.00%	

^{*}Gross investment holdings as valued in compliance with NAIC Accounting Practices and Procedures Manual.

Reinsurance Interrogatories December 31, 2022

Provided below are management's responses to certain reinsurance interrogatories required by NAIC Statutory Accounting Principles:

Has the reporting entity reinsured any risk with any other entity under a quota share reinsurance contract that includes a provision that would limit the reinsurer's losses below the stated quota share percentage (e.g., a deductible, a loss ratio corridor, a loss cap, an aggregate limit, or any similar provisions)?

Yes () No (X)

Has the reporting entity ceded any risk under any reinsurance contract (or under multiple contracts with the same reinsurer or its affiliates) for which during the period covered by the statement: (i) it recorded a positive or negative underwriting result greater than 5% of prior year-end surplus as regards policyholders or it reported calendar year written premium ceded or year-end loss and loss expense reserves ceded greater than 5% of prior year-end surplus as regards policyholders; (ii) it accounted for that contract as reinsurance and not as a deposit; and (iii) the contract(s) contain one or more of the following features or other features that would have similar results:

- (a) A contract term longer than two years and the contract is noncancelable by the reporting entity during the contract term.
- (b) A limited or conditional cancellation provision under which cancellation triggers an obligation by the reporting entity, or an affiliate of the reporting entity, to enter into a new reinsurance contract with the reinsurer, or an affiliate of the reinsurer.
- (c) Aggregate stop loss reinsurance coverage.
- An unconditional or unilateral right by either or both parties to commute the reinsurance contract, whether conditional or not, except for such provisions which are only triggered by a decline in the credit status of the other party.
- (e) A provision permitting reporting of losses, or payment of losses, less frequently than on a quarterly basis (unless there is no activity during the period); or
- (f) Payment schedule, accumulating retentions from multiple years or any features inherently designed to delay timing of the reimbursement to the ceding entity.

Yes() No(X)

Has the reporting entity during the period covered by the statement ceded any risk under any reinsurance contract (or under multiple contracts with the same reinsurer or its affiliates) for which during the period covered by the statement it recorded a positive or negative underwriting result greater than 5% of prior year-end surplus as regards policyholders or it reported calendar year written premium ceded or year-end loss and loss expense reserves ceded greater than 5% of prior year-end surplus as regards policyholders; excluding cessions to approved pooling arrangements or to captive insurance companies that are directly or indirectly controlling, controlled by, or under common control with (i) one or more unaffiliated policyholders of the reporting entity, or (ii) an association of which one or more unaffiliated policyholders of the reporting entity is a member, where:

- (a) The written premium ceded to the reinsurer by the reporting entity, or its affiliates represents fifty percent (50%) or more of the entire direct and assumed premium written by the reinsurer based on its most recently available financial statement; or
- (b) Twenty five percent (25%) or more of the written premium ceded to the reinsurer has been retroceded back to the reporting entity or its affiliates in a separate reinsurance contract.

Yes() No(X)

Except for transactions meeting the requirements of paragraph 31 of SSAP No. 62R—Property and Casualty Reinsurance, disclose if the reporting entity ceded any risk under any reinsurance contract (or multiple contracts with the same reinsurer or its affiliates) during the period covered by the financial statement, and either:

- (a) Accounted for that contract as reinsurance (either prospective or retroactive) under statutory accounting principles ("SAP") and as a deposit under generally accepted accounting principles ("GAAP"); or
- (b) Accounted for that contract as reinsurance under GAAP and as a deposit under SAP?

Yes() No(X)
